AREA PLAN WORKSHOP

SAN FRANCISCO
PLANNING
DEPARTMENT

Please join us as we work to refine the East SoMa Area Plan and help us complete the plan this year!

- Between 2000 and 2004 the Planning Department worked with community members to develop a series of zoning options for the East SoMa (South of Market) area. The Department now has a Draft Area Plan, which was presented at the last workshop.

At this community workshop, we will discuss the following:

- Proposed zoning controls
- Update on the Public Improvements Program
- Building height limits and other urban design issues
- Preliminary affordable housing strategy for the Eastern Neighborhoods

Visit our website before the workshop to review materials. If you are unable to attend, give us a call, stop by our office or drop us an email so we can get your feedback!
