Exhibit IV-2A Zoning Map Amendments Resolution

SAN FRANCISCO
PLANNING COMMISSION
RESOLUTION NO. 17664

WHEREAS, Section 4.105 of the Charter of the City and County of San Francisco mandates that the Planning Commission shall periodically recommend to the Board of Supervisors proposed amendments to the Zoning Maps; and

The San Francisco Planning Department is seeking to implement the four Eastern Neighborhoods Area Plans, comprised of the East South of Market, Mission, Central Waterfront and Showplace Square/Potrero Hill Area Plans, which seek to reduce land use conflicts between industry and other competing uses such as office and housing in areas designated as Production, Distribution and Repair (PDR), retain existing jobs in the area, and encourage diverse and affordable housing, mixed-used areas, and complete neighborhoods.

As a means to implement both the goals of the General Plan that are specific to the Eastern Neighborhoods Area Plans and the citywide effort to encourage new housing at appropriate locations affordable to a range of city residents while preserving sufficient land for necessary production, distribution and repair (PDR) businesses and activities, the Department is proposing Zoning Maps amendments that would apply new districts and district revisions as outlined in the proposed Mission, Showplace Square/Potrero Hill, Central Waterfront and East SoMa Area Plans, and related proposed Planning Code Amendments. These changes correspond to a number of conforming amendments to Sectional Sectional Maps ZN01, ZN07 and ZN08; maps HT01, HT07, and HT08; and Map SU08 of the Zoning Maps of the City and County of San Francisco. The amendments would include changes to permitted land use and height and bulk controls, reclassifying properties into newly created districts throughout the Planning Areas.

The Zoning Map governs land use and height and bulk permitted in the areas and a number of changes are proposed. Thus, conforming amendments to the Zoning Map would be required in order for development to proceed in the area consistent with the Eastern Neighborhoods Area Plans of the General Plan.

On April 17, 2008, pursuant to Planning Code Section 302(b), the Planning Commission held a public hearing and approved Resolution No. 17587, a Resolution of intention to initiate amendments to the Zoning Maps. Subsequent to adopting Resolution No, 17587, the Planning Commission authorized the Department to provide appropriate notice for a series of public hearings on the proposed amendments. The Commission held a series of public hearings to consider the proposed amendments and to receive public comment, including hearings on May 15, 2008, May 22, 2008, June 5, 2008, June 12, 2008, June 19, 2008, June 26, 2008, July 3, 2008, July 10, 2008, July 24, 2008, July 31, 2008 and August 7, 2008.

In response to the public and the Planning Commission during the approval hearings the staff has prepared and incorporated some changes to the proposed Zoning Map Amendments as contained in the staff report attached hereto and incorporated herein by reference. The Planning Commission hereby directs staff to work in consultation with the City Attorney's office to make those changes that the Commission specifically identifies as part of its approval action, to be forwarded to the Board of Supervisors.

The Zoning Maps amendments specify the application of Planning Code amendments to specific parcels. These amendments contain changes to standards from those currently established by the Planning Code, including but not limited to those for land use, height and bulk, building design, open space, density, residential demolition and parking.

The Proposed Zoning Map Amendments include:

- Changes to the height and bulk sectional maps.
- 16 new zoning districts as listed below

1. PDR-1-General (PDR-1-G)
2. PDR-1-Design (PDR-1-D)
3. Mission Street Neighborhood Commercial Transit District (Mission Street NCT)
4. Valencia Street Neighborhood Commercial Transit District (Valencia Street NCT)
5. Small Scale Neighborhood Commercial Transit District (NCT-2)
6. SoMa Neighborhood Commercial Transit District (SoMa NCT)
7. 24th Street - Neighborhood Commercial Transit District (24th Street-Mission NCT)
8. South Beach Downtown Residential (SB-DTR)
9. Mixed Use-General (MUG)
10. Mixed Use-Residential (MUR)
11. Mixed Use-Office (MUO)
12. Urban Mixed Use (UMU)
13. Residential Transit Oriented - Mission(RTO-M)
14. Life Science and Medical Special Use District
15. Innovative Industries Incubator Special Use District
16. Transit Oriented Retail Special Use District

The proposed zoning map changes to land use and height and bulk districts are included in a draft Ordinance, attached hereto as **Exhibit IV-3A**. The City Attorney's Office has reviewed the draft ordinance and approved it as to form.

In related actions, the Planning Commission is making amendments to the Planning Code and to the General Plan, which include adding four new area plans, the East South of Market, Central Watefront, Mission and Showplace Square / Potrero Hill Area Plans, and making related amendments to the Commerce and Industry, Recreation and Open Space, the South of Market Area Plan, the Northeastern Waterfront Area Plan, the Central Waterfront Area Plan and the Land Use Index to implement the four Eastern Neighborhoods Plans.

The Planning Commission finds that the Eastern Neighborhoods Zoning Map Amendments are, on balance, in conformity with the General Plan and the eight Priority Policies of Planning Code Section 101.1 and with the General Plan as proposed to be amended for the reasons set forth in Planning Commission Resolution No. 17662 which accompanies this Resolution, and incorporates said findings herein by reference.

Prior to considering the relevant amendments to the Zoning Map, and related General Plan and Zoning Map amendments, on August 7, 2008, the Planning Commission adopted Motion No.17659. In that action, the Commission certified the Eastern Neighborhoods Environmental Impact Report. The Planning Commission also adopted Motion No. 17661, adopting California Environmental Quality Act Findings related to the Eastern Neighborhoods Area Plans project and incorporates those motions herein by reference.

NOW, THEREFORE BE IT RESOLVED, that pursuant to Planning Code Section 302 (c), the Planning Commission finds from the facts presented that the public necessity, convenience and general welfare require the approval of the proposed Zoning Map amendments;

NOW THEREFORE BE IT RESOLVED, the Commission adopts and incorporates by reference the CEQA findings in Commission Resolution No.17661;

AND BE IT FURTHER RESOLVED, that the Planning Commission specifically authorizes the following additional changes to the Zoning Map amendment legislation and directs staff to work with the City Attorney's Office to prepare, as needed, a new version of the Zoning Map amendment legislation to reflect these changes and submit the new version to the Board of Supervisors for its consideration: 1) add technical changes to address typographical errors, insert Zoning Map changes adopted prior to approval, and similar technical changes; and 2) incorporate additional Map changes that the Planning Commission specifically identified on August 7, 2008;

AND BE IT FURTHER RESOLVED, that the Planning Commission Adopts a Resolution recommending amendments the Zoning Map of the City and County of San Francisco, including amendments to Sectional Maps ZN01, ZN07 and ZN08; maps HT01, HT07, and HT08; and Map SU08, in furtherance of the Eastern Neighborhoods Area Plans.

I hereby certify that the foregoing Resolution was ADOPTED by the City Planning Commission on August 7, 2008.
