

Showplace Square/Potrero Hill: Workshop #2

Saturday | February 2, 2002 | 10:00 AM - 1:00 PM

@ California College of Arts & Crafts

1111 - Eighth Street

Workshop Summary

During the first Showplace Square/Potrero Hill Community Planning Workshop, held on February 2, 2002, over 60 neighbors, business people, property owners, politicians and City staff gathered to kick-off the Eastern Neighborhoods Community Planning effort. Following introductions and opening comments by the Director of the Planning Department, Gerald Green, and planning staff presented an overview of citywide land use conditions and needs. The workshop participants then began a process of authoring community planning goals for their neighborhood. This workshop concluded with a lively question and answer period.
